**Subject:** All the info

Thanks Kathryn for all the info. I will look through the crime stats and comps over the next few days. I probably won't get back to you on this for a few days, but I will do that asap.

I really appreciate your diligence and professionalism. You're helping to make the start of this very comfortable for me. It's been fun!

Talk with you soon and hope you have a Tim Deane rest o' the week!
